

# SUMMER FOREIGN EXCHANGE PROGRAM

## ★ HOST FAMILIES WANTED ★

Bring culture to your home! The Summer Foreign Exchange Student Program is a 3 1/2 week program (June 27th thru July 23rd) that brings a student to your home. There is no easier way to truly learn about another culture while at the same time showing someone about our culture. For many years the TileSA organization has been bringing students from across the globe to the United States. Many families build relationships with these students that last a lifetime. All you need to do is share your home. We take care of the rest. Find out how you can be a part of this experience!
